

October - 2024

Dear Customers and Suppliers

### **"Declaration of Compliance with RoHs, REACH, China RoHs"**

JS Foundry K.K. contributes to creating a safe workplace and realizing a prosperous society by conducting business activities that consider the protection of the global environment, preventing pollution, and ensuring the safety and health of all people who work with us and the local community.

We also place emphasis on complying with generally accepted industry requirements and respond to our customers' needs for environmentally friendly products and the reduction of the use of hazardous substances in the manufacture of these products.

To achieve these goals, we also require our suppliers to limit the use and content of chemical substances in the raw materials and products they supply to JS Foundry K.K.

JS Foundry K.K. meets the following requirements:

#### **■RoHs**

The requirements of the European Union's Directive 2011/65/EU on the restriction of the use of certain hazardous substances (RoHS 2) and Directive 2015/863/EU (RoHS 3).
